HOW TO ORDER

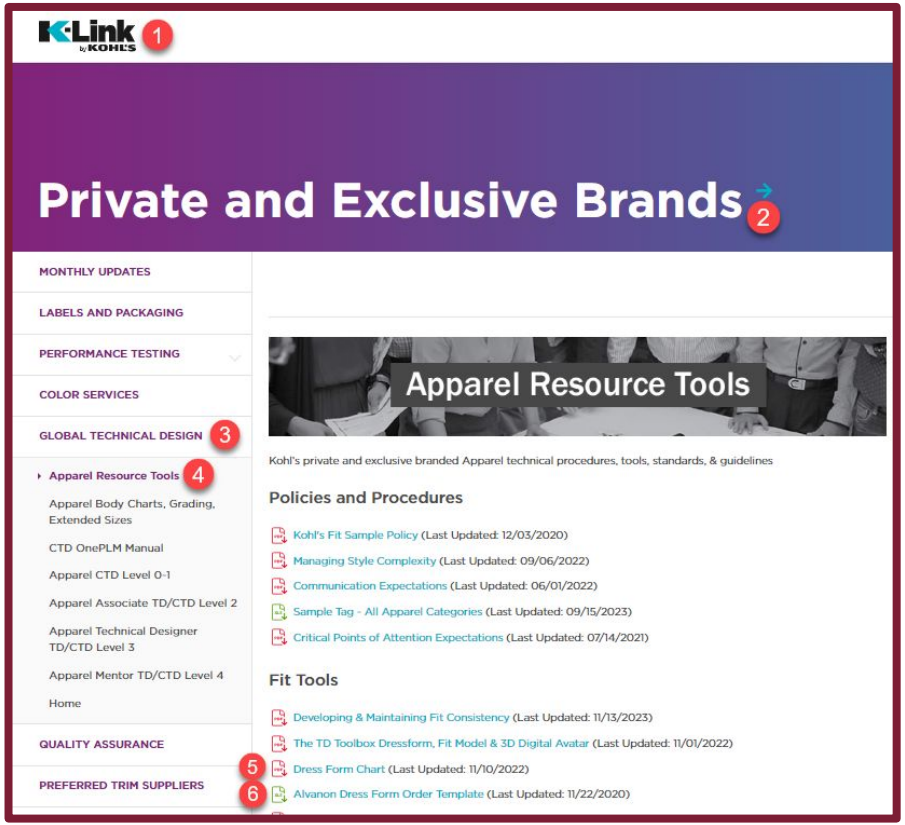
DISCLAIMER

To ensure order accuracy - **connect with the Category Tech Design manager** to confirm dress form/avatar details BEFORE placing order

HOW TO ORDER PHYSICAL DRESS FORMS

All PP and Fit approvals are required to be reviewed on physical dress forms.

Use Alvanon Order From to order physical dressforms. The order form can be found on **K-Link**:



HOW TO ORDER DIGITAL AVATARS

Vendors have two options for purchasing Virtual AlvaForms with Alvanon: URL: https://abp.alvanon.com/

Full Brand Access: Annual subscription rate - verify rate with Alvanon

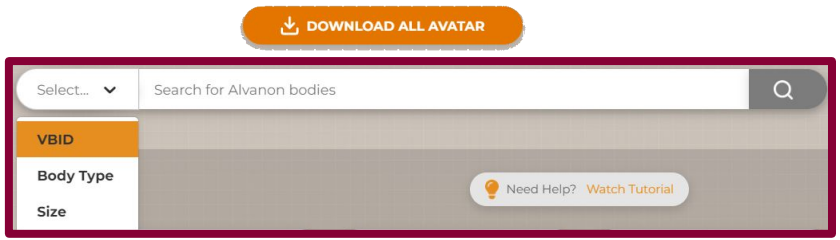
Advantage: allows full access to entire Avatar library Men's, Women's, Children's and full size runs where developed.

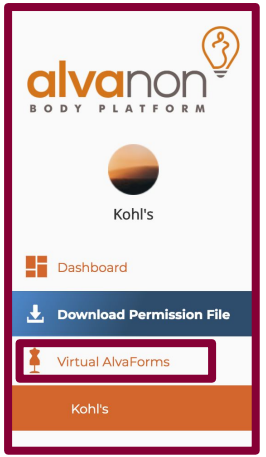
Individual Virtual AlvaForms: Per Avatar rate - verify rate with Alvanon

Advantage: May be more cost efficient if your company only works on 1 brand/size range for Kohls..

1. Log in using **User Account** info.
2. Navigate to the left-hand menu and click on '**Download Permission File'**. This file will need to be synchronized with your 3D software before you can import the Alvaform.
3. Navigate to the left-hand menu and select on section titled '**Virtual Alvaforms**'. This is where all of the 3D dressforms are stored.
4. Use the search bar at the top of the page to find the dressform you need. If you don't know the VBID, you can search on the following too:

   NOTE: You can also download all at once if you need to download the entire library.





For questions/issues email: abp.support@alvanon.com

HOW TO DOWNLOAD DIGITAL AVATARS

Once you find the digital Avatars you need, tap on the Alvaform card.

5. Select the software you need to download the form for.
6. Select the version (do not use 'Original'). Select 'Basic' for 'Human' or No Head, Hands, & Feet, w/ Seams, or Headless for Dressform version.
7. Tap the 'Download' button

NOTE: For CLO3D you will need to download both arm positions too.
