Kohl's Logistics
Publication Updates, Announcements, & Reminders
November 2026

PUBLICATION UPDATES

- Kohl's Packaging and Shipping Requirements
    - Retail DC (Store) Polybag Requirements section includes new information

ANNOUNCEMENTS

- To comply with state PFAS regulations, Kohl's is partnering with 3Eco to review our in-store and online products for intentionally added PFAS.
    - Vendors may receive an email from 3Eco containing a PFAS survey. If received, please follow the instructions to complete it.
    - If vendors are unable to complete the survey directly, reply to the email with answers and any supporting documentation. The 3Eco team will complete it on your behalf. Thank you for your cooperation in keeping Kohl's compliant.
