

Kohl's 3P Product Inspection Policy | **Hardlines & Hard Accessories**

Inspection Cadence Policy

New / E-Comm Exclusive	Replenishment	All Additional Shipments
1st OR Largest XF & Last XF PO(s)	1st or Largest PO(s)	All additional PO's should be VSI inspected and must be provided within 24 hours upon request.
Inspections Required Every 6 Months	Inspections Required Every 3 Months	

Inspection Booking

- **PO Selection** | Vendor/Supplier is responsible for selecting or creating PO(s) for Inspections
- All **3P inspections** must be completed **manually** and emailed to **Quality.Assurance@Kohls.com**.
- Any **VSI inspections** may also be completed manually and must be **available within 24 hours upon request**
- **Styles/PO Grouping** | Multiple PO's CAN BE inspected together that are the same: Brand Style + Size Range in multiple colors/washes, prints & fabrications that have the same X-Factory Dates

New Vendor and/or Factory

- **Mandatory 3P TOP inspection on all new factories on first production run**
- Once onboarded vendor/factory should share with QA/PI their first production runs for them to establish any additional 3P inspections to be completed

Test Orders

- The initial test order must be inspected by a 3rd party inspection company if the product rolls out to a Bulk/Store order the largest PO/Shipment is required to be inspected.

A **Passing** or **Accepted** Final Random Inspection must be completed by an approved 3P or VSI for **ALL** Kohl's Private and Exclusive (Proprietary) Brand **POs prior to shipment**

*Kohl's reserves the right to add additional inspections as they deem necessary (e.g, failed inspection, previous quality concerns/issues, test, etc.) **Questions | email quality.assurance@kohls.com**
