- Updated RTV Invoice Authorization Process:
 - Effective immediately, the following escalation steps will be implemented for vendor RTV invoices:
 - At 30 Days: An urgent request email will be sent to vendors, requesting immediate authorization of their outstanding RTV invoice(s).
 - At 45 Days: Vendors will receive a final notice, clearly stating they have exactly 15 days to authorize their RTV invoices. If authorization is not received by the communicated deadline, Kohl's reserves all rights to Debit & Destroy the merchandise and debit any associated disposal costs against the vendor's account.
 - At 60 Days: A final notification will be sent, and Kohl's will execute Debit & Destroy actions, disposing of the merchandise at our discretion, with related costs debited to the vendor's account
 - Reach out to reverse.logistics@kohls.com for any questions or assistance; your partnership and cooperation are greatly appreciated
