

GENERAL NAVIGATION

General Navigation is available in the leftmost panel. Use the links provided to navigate directly to the areas indicated. Click one of these navigational links to find additional search types and pages.

The screenshot shows the Kohl's onePLM dashboard interface. The top navigation bar includes the Kohl's logo, navigation arrows, a search bar with 'Style' selected, and a 'Go' button. The dashboard is divided into several main sections:

- DESIGN CENTER (Left Panel):** Contains a 'DESIGN CENTER DASHBOARD' with links to Dashboard, Artwork Library, Material Library, Style, Sample Tracking, Fit Evaluation, Material Palettes, and Line Sheet. Below this are sections for 'PRODUCTION SOURCING', 'SUPPLIER MANAGEMENT', 'REQUEST FOR QUOTE', and 'SEARCH'.
- ALERTS (Yellow Box):** A table showing alert counts for various categories like 'RPQ/Style Comment' (1598) and 'Sample VPSD Updated' (9168).
- Queries (Cyan Boxes):** Multiple sections including 'Tech Design Assign Tasks', 'TD Queries', 'TD Recaps', and 'TD Models', each listing specific tasks and search options.
- Business Process (Blue Box):** Includes 'System Programs' and 'Support Tables'.
- System Message (Purple Box):** A 'Message' section with ID 'v2019R1FP10' and a 'System Message' label.
- Hot Links (Yellow Box):** A 'Quick Links' section with links to 'onePLM Support', 'PD Intranet', 'K-Link', and 'Kohl's External Training'.
- Reports (Pink Box):** A 'Reports' section with links to 'Measurement Specification' and 'Fit Tracking'.
- Material Libraries (Blue Box):** A 'Material Library Maintenance' section with various export options like 'Knit Library Export' and 'Woven Library Export'.
- Testing Reports (Red Box):** A 'Product Testing Information' section with links to 'All Product Test Reports', 'Perf. Test Reports', 'Trim Test Reports', and 'Denim Development'.

Large text labels are overlaid on the image to identify these sections: 'General Navigation' (left), 'Alerts' (yellow), 'Queries' (cyan), 'System Programs' (blue), 'System Message' (purple), 'Quick Links' (yellow), 'Reports' (pink), 'Material Libraries' (blue), and 'Testing Reports' (red).
