- B2-S20-12M-BJ01K126-N-VENDOR

VENDOR PATTERN ATTACHMENT NAMING CONVENTION (CONT'D)

WHEN UPLOADING PATTERN FILE

1. Rename the pattern file in the **Attachment No** field.
2. Paste the full description in the **Description** field. Include description information that was cut off due to character limitation in the Attachment No. field.

Note for Kohl's TD: When smart copying patterns from the Attachments Tab, the pattern name will copy into the Attachments No. field and Description field following the original descriptions.

<input type="checkbox"/> Sort	Attachment No	Attachment Type	Description	
<input type="checkbox"/>	1	F1-SP20-R-WF03	PATTERN FILE	F1-SP20-R-WF03A503RS-JSY-ECLAT
			L R	VER

Note: Current limitations of the **Attachments No** field

- Approximately 35 characters/spaces available in the Attachments No field
- Approximately 17 characters/spaces visible when searching
