Note: The small number on each circle within the Leap button screen indicates the number of documents found in that grouping.

OVERVIEW PAGE

NAVIGATING PAGES USING LEAP BUTTON - BACK BUTTON

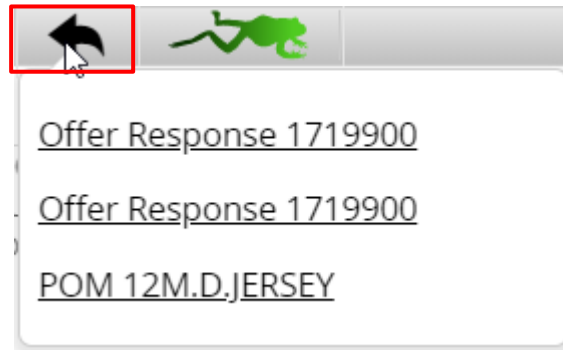

Use the **Back** button to return to previously viewed Leap button related screen(s). The back button can only be used if you are in the Leap function and need to navigate to a previously leaped screen.

1. Click Back button to go back one screen.

OR:

2. Click and hold the back button for a list of previously visited screen(s).

3. Click on the previously viewed screen to navigate back to it.
