

Kohl's Logistics

Publication Updates, Announcements, & Reminders

August 2026

PUBLICATION UPDATES

Kohl's RFID Playbook - National Brands

- The title has been changed from *Kohl's RFID Playbook* to *Kohl's RFID Playbook - National Brands* to reflect specific merchandise addressed within the publication; no revisions or updates have been made to the publication itself

Kohl's Ocean and Air Origin Listing

- Publication has been updated for the Fall 2026 season

ANNOUNCEMENT

- **EAS (Electronic Article Surveillance) Update:** Kohl's is actively working with supplier PACT on solutions to the ongoing shortage of standard clay security tags. If unavailable, follow these instructions:
 - Order the alternative ink tags (with exception of juniors tops, which should be shipped without security tags if standard clay tags are unavailable)
 - Continue shipping goods to maintain on-time delivery—do not wait for tags to become available
 - Prioritize EAS tagging of highest price point items
 - For questions, contact lp-service@kohls.com

REMINDERS

- **Store-to-DC Association Change:** The servicing DCs for three Kohl's retail store locations has changed
 - See the chart below for the affected stores, DCs and PO start ship dates

Stores Changing Distribution Centers - Effective 7/11/2026					
Store Number	Store Name	Current DC: Start Ship Date of 7/10/26 or before	Current DC Name	Future DC: Start Ship Date of 7/11/26 or after	Future DC Name
