Checklist for Recycled Fibers Products Supporting Documents GRS/RCS Certification

Spinner/Yarn:

- Spinner Scope Certificate
- Yarn Transaction Certificate

NOTE: If a broker is between the spinner and the fabric mill, it must be fully certified and provide SC and TC

Finished Fabric:

If the fabric preparation - Greige, Dyes, Prints, finishing - are not done within the same factory (vertical set-up), all factories processing the fabric must provide the certificates below:

- Fabric Mill Scope Certificate
- Fabric Transaction Certificate
- Documentation must be uploaded at the time of third party production fabric and garment testing*

NOTE: If a converter purchases the yarn, and has different mills to process the Greige, Dyes, Print, Finishes, etc., it must be fully certified for "trading" and provide SC and TC (from greige all the way to the finished fabric)

NOTE: U-Trust Repreve or other branded recycled fiber certificates must be provided at the time of production fabric and garment testing if claimed on the content label

Garment/Final Product Maker:

Option 1 (Garment/final product maker certified):

- Garment/Final Maker Scope Certificate
- Garment/Final Transaction Certificate
- Documentation must be uploaded at the time of third party production fabric and garment testing**

Option 2 (Garment/final product maker not certified):

- Invoice - from finished fabric to garment/final product maker
- Self Declaration
- Documentation must be uploaded at the time of third party production fabric and garment testing**

NOTE: If a broker is between the finished fabric and the garment/final factory, it must provide invoices and self-declaration.

**notes on documentation accepted on page 3*

Version 1.3

Checklist for Recycled Fibers Products Supporting Documents GRS/RCS Certification - *Continued*

***Finished Fabric Testing - Required Supporting Documents:**

- Yarn Transaction Certificate
- Fabric Mill Scope Certificate

****Finished Goods Testing - Required Supporting Documents**

Option 1:

- Finished Fabric Transaction Certificate
- Garment Maker/Finished Product Scope Certificate

Option 2:

- Finished Fabric Transaction Certificate
- Garment Maker/Finished Products Self-Declaration
- Finished fabric invoice (from finished fabric mill to garment maker/finished products)

Fabric information

Fabric supplier's name, address and country:

.....
