Hohenstein
Textile Testing Institute
GmbH & Co. KG
Schloss Hohenstein · 74357 Boenningheim · Germany
Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company
**Trung Dung Trading and Production Company Limited
(TD Co., Ltd.)**
An Hamlet, Trieu Khuc Village, Tan Trieu Commune
Thanh Tri District, Ha Noi, VIETNAM

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 15.0.69314**

for the following articles:

Sewing thread, tape, elastic string, elastic band / tape, rubber band, cord, string and shoe lace, made of 100 % polyester, partly with rubber, white and disperse dyed, produced by using materials certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA, with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.07.2016

Boenningheim, 26.10.2015

Trim Supplier Qualification Program Registration Number:
F_IAR_75818_TQP

Intertek has assessed the practices of the above facility according to the scope of the Trim Supplier Qualification Program (TQP), which resulted in meeting the performance criteria required for the "Achievement Award".

The evaluation of the facility covered the following areas:

1. Management Environment
2. Risk Management
3. Process Control
4. Product Testing
5. Monitoring

Christophe Liebert, VP Supplier Management

25 Mar, 2016
Last Full Audit Date

Cary Chan, Certification Administration Centre

24 Mar, 2018
Expiration Date

This document certifies that an Intertek third party assessment of the certified facility was performed using a process driven approach which encompasses a weighted and scored data collection methodology to provide objective evidence of the facility's level of adherence to program standards. This document is valid for the stated period of compliance beyond the audit date. Further, Intertek of the United Kingdom is not responsible for the accuracy of the information contained in this document, including references to program standards. The Achievement Award does not certify compliance with any government or regulatory standards, nor does it certify compliance with any other standards. The quality of any goods, products and services produced at a certified facility is the responsibility of the facility. This facility is subject to regular audits to ensure compliance with program standards. Intertek is not responsible for the accuracy of any information contained in this document.
