

# FIT EVAL

## CTD ASSESSMENT

For KTD to assess the CTDs on communication, policy/process, technical skills, and fit understanding. KTD is required to fill out the CTD assessment on every sample round (excluding Counter Samples) for CTDs level 1 & 2.

1. The CTD Assessment fields are to the right of the sample selection field on the Fit Eval.
2. The CTD Level and Vendor/Factory fields auto populate based on the CTD selected in the Measurer 1 field.

Sample Selection					CTD Assessment		
Fit Sample	Size	Sample #	Sample Type	Fit Status	CTD Level	Vendor/Factory	Communication
All	12M				LEVEL 1	MAIN OFFICE	--Select--
Sample 3	12M	1497959	FIT SAMPLE	APPROVED	--Select--	--Select--	--Select--
Sample 2	12M	1471601	FIT SAMPLE	NOT APPROVED			
Sample 1	12M		COUNTER SAMPLE	NOT APPROVED			

KTD feedback for CTD

3. To fill in the Communication, Policy/Process, Technical Skills, and Fit Understanding fields, click on the drop down arrow to the right.
4. Rate the CTD on a scale of 1-3. 1-Does Not Meet, 2-Fully Meets, 3-Exceeds Expectations.

**COMMUNICATION:** Is the CTD communication clear and addressing issues with proactive solutions?

**POLICY/PROCESS:** Were Kohl's fit policies and procedures properly followed and documented in OnePLM?

**TECHNICAL SKILLS:** Does the CTD understand and follow the construction in the TP in addition to minimum construction and suggest solutions to improve fit & quality?

**FIT UNDERSTANDING:** Were corrections applied to the fit as requested and improvements made?

CTD Assessment

CTD Level: LEVEL 1 | Vendor/Factory: MAIN OFFICE | Communication: --Select--

Policy/Process: --Select-- | Technical Skills: --Select--

KTD feedback for CTD

5. To leave feedback for the CTD on things they are doing well and areas for improvement, type ahead in the **KTD Feedback for CTD** comments box. Then click **Save**.  
NOTE: The KTD Feedback for CTD comments box has a 250 character limit. Any feedback written on the fit eval will show up in the CTD Report Card.

CTD Assessment

CTD Level: LEVEL 1 | Vendor/Factory: MAIN OFFICE | Communication: 2-FULLY MEETS

Policy/Process: 2-FULLY MEETS | Technical Skills: 2-FULLY MEETS | Fit Understanding: 3-EXCEEDS EXPEC

KTD feedback for CTD

PATTERN CORRECTIONS FROM 1ST FIT WERE FOLLOWED AND OVERALL FIT AND BALANCE WAS MUCH IMPROVED. GREAT COMMUNICATION AND DETAIL FIT AND CONSTRUCTION COMMENTS.
