2024 Ad Leak Event (HOLPC)

Collect (HOLPC)

- 1. Shipment Creation Drop-Dead Due Date: 08/27/24**
 - Shipments for the HOLPC POs must be appropriately entered into the Transportation Management System (TMS) no later than 08/27/24.
 - **Please note that the only POs that may be entered for the HOLPC program will be sent to you via an email on 8/12/24**
 - **Vendors will receive a charge-back for the following non-compliant actions:**
 - Failing to create shipments in TMS by the Drop-Dead due date of 08/27/24.
 - Creating shipments with POs that are not part of the HOLPC Program. HOLPC POs must be shipped separately from all other POs.
 - Failing to be ready/available to ship during the posted ship/cancel window.
- 2. Target Routing Dates: 08/28/24 – 08/30/24**
 - This routing may take longer than the normal 72 hours.
 - Kohl's will be building "pure" truckloads of HOLPC Program merchandise only.
- 3. Ship/Cancel window/Target Pick Up Dates: 09/02/24 – 09/04/24**
 - POs must be available for carrier pick-up during the start ship/cancel time period of 09/02/24 – 09/04/24. If the merchandise is not available as directed, the vendor may be required to air ship the merchandise at the vendor's full expense.
 - Vendors will not receive a charge-back for early arriving merchandise, provided that the shipment(s) were created prior to the drop-dead due date of 08/27/24.

Any vendor who creates a shipment after the drop dead date of 8/27/24 or does not have the merchandise available by the cancel date of 9/04/24 may be charged back all associated Transportation costs to cover expediting as needed to meet the in DC date of 9/16/24.

Prepaid (HOLPC)

- 1. Shipment Creation Drop-Dead Due Date: 08/27/24.**
 - Shipments for the HOLPC POs must be appropriately entered into the Transportation Management System (TMS) no later than 08/27/24.
 - **Please note that the only POs that may be entered will be sent to you via an email on 08/12/24.**
 - **Vendors will receive a charge-back for the following non-compliant actions:**
 - Failing to create shipments in TMS by the Drop-Dead due date of 08/27/24.
 - Creating shipments with POs that are not part of the HOLPC Program. Only POs that are included in the e-mail may be entered.
- 2. Drop Dead Kohl's In-DC Date is: 909/16/24**
 - You must schedule your deliveries to meet the Kohl's In-DC date.
 - Merchandise should not arrive before 09/02/24.
- 3. Ship/Cancel window: 09/02/24 – 09/04/24**
 - Please visit our website at <https://link.kohls.com/> for a list of Kohl's preferred transportation providers.
 - Kohl's preferred carriers will drop trailers in the DC yard.
 - Non Kohl's preferred carriers must schedule a live unload appointment with the DC. Please visit our website at <https://link.kohls.com/> for Kohl's Live Unload guidelines
