## Multi-Multi (Fixture in a Box) Requirements

Kohl's has introduced the functionality within KOO to create a "Fixture in a Box" also known as a Multi/Multi prepack. (6/18/18-system live)

- Ex. Teams can now set an entire 6 color Pique Polo fixture with 1 Multi/Multi pre-pack vs. 6 individual smaller pre-packs:

### Have you ever visited a store to inspect a set and found missing colors?

- Fixture in a box will enable the store set process to be much more efficient and accurate. Store associates have to look for fewer cartons to set new fixtures, rather than a carton of each color.

### Would you like to reduce your shipping costs?

- Fixture in a box will drive material & labor savings with the reduction in carton volume

### With Kohl's leading the way on environmental sustainability, wouldn't it be great if we could ship the same amount of product with less cardboard?

- Fixture in a box will require less corrugate/packaging materials in total with no impact to the product.

### Will the product move quicker?

- Fixture in a box will help speed up the process through the DC by making it easier to handle, taking time out of the supply chain. Fewer cartons in the distribution network will improve our throughput

### Which businesses would this apply to?

- Same factory
- Initial sets only
- Sized
- Same style/multiple colors
- Hanging or folded
- No unit minimums
- Carton max 36x26x26 (50lbs)
- Can't adjust current orders in the system to be a multi multi- can only impact future orders

## Multi-Multi (Fixture in a Box) Requirements

- Vendors must ship all colors complete at the same time
- P.O type: Imports (IM), Standard Domestic Orders (ST), Landed (LD)

### How will the vendor know it's a Fixture in a Box (Multi-Multi) pack type?

- Fixture in a box(Multi-Multi) should be indicated on buy sheets
- EDI sent to the vendor will have the following pack description as: CC MIXED

```

08/27/2018 12:03:44 PO-PACK INQUIRY (P) TCP0VD38 POINQPKI
ITEMS: 1 TO 10 OF 10
PO NUMBER: 11952043 PACK ID: 1 PACK SKU: 10407049 PACK: 1 OF 7
DESCRIPTION: WC00K004RS-CC MIXED-20PK PACK UPC: 000400104070495
TOTAL UNITS.....: 15320 CONVEYABLE INNER PACKS: N (Y OR N)
# OF CARTONS....: 766 UNITS PER CARTON.....: 20
# OF INNER PACKS: 1 UNITS PER INNER PACK..: 20
