

Changes for the Month of February 2024

Kohl's Logistics and Routing

Kohl's Reverse Logistics Reminders

- Vendors with an "RTV RA Required" Returns Disposition Agreement are required to provide Return Authorizations (RA) via Kohl's third party returns partner's website, InvoiceLink, within 30 days of the invoice creation date.
- If Kohl's has not received the required RA within thirty (30) days of the RTV invoice, Kohl's reserves all rights to Debit & Destroy the subject merchandise (i.e., dispose of that product as it sees fit in its sole discretion and further, to debit the cost of those goods against a vendor's account as though the merchandise had been successfully returned to the vendor).
- Any questions related to accessing InvoiceLink to provide RA's should be emailed to: *invoicelink@inmar.com* and *reverse.logistics@kohls.com*
