Kohl's Claim Support Information			
Claim Sequence	Definition	Instructions	Contact
Refer to the violation number on the notification EXAMPLE: 4123456	Notifications are e-mailed to our vendors daily to inform them that a violation has been issued. It will contain detailed error information for all issues (non- chargeable and chargeable) that were approved the previous day.	Only Vendor Compliance-related charges listed as "Compliance Mgmt Charge" or "Trans Claim" on check remittances	Department: Vendor Compliance Email: Vendor.Compliance@kohls.com
Claims starting with "7090" EXAMPLE: 7090123456	Statements are e-mailed to our vendors at the end of each week. They include a summary of violation charges and credits from the period. One master charge number will be issued for the period, reducing the number of accounting transactions relative to these issues.		
Claims starting with "R", "1013", "1014" and state: Collect PGM or Commercial Zone EXAMPLE: 1013123456	Kohl's routing may combine shipments from multiple vendors within the Los Angeles, New York and New Jersey commercial zones to create full truckload shipments shipping direct to the Kohl's Distribution Center. Commercial zone multi-stops are dependent upon volume, shipment dates, and locations. Vendors will receive a separate debit memorandum from Kohl's stating Multi-Stop/Commercial Zone Routing Fee in lieu of the standard pick-up charges from the consolidator. The commercial zone fee offsets costs of out of route miles, stop-off charges and labor incurred to conduct commercial zone multi- stops.		
Claims starting with "TR"	Charges related to transportation.		
Claims starting with "DSN" EXAMPLE: DSN00000012345	Charges related to failed secret shop, delinquent, canceled, or improperly upgraded orders.	Email dsncompliance@kohls.com for more information on charges that begin only with DSN.	Department: ECOM Direct Ship Email: DSNCompliance@kohls.com
