

# onePLM Login

## First Time Purchase

Logins cost \$350 each and are active for (1) year from the date of purchase.

### TYPES OF LOGINS

#### Bidding & Sourcing Login -MR/Product Manager

This login will be used for most onePLM functions. You can buy more than one. The login name will be TSS\_\_\_\_\_ **Quality Assurance Only Login** (**Non Li & Fung Vendors Only**)

This login will be used to only enter in inspection information. The same functionality offered with this login can be performed with the "Bidding & Sourcing" login, however you can choose to purchase if you have an individual that should only have access to inspection-related tasks. The login name will be TSS\_\_\_\_\_QA

#### Apparel Technical Design Login

This login can only be purchased with approval from the Kohl's Technical Design Training and Standards Team. If you are unsure if you should purchase one, send an email to the email address below. If you have received approval, but need assistance purchasing or activating, email [oneplmsupport@kohls.com](mailto:oneplmsupport@kohls.com) and 'CC the email below. The login name will be TSS\_\_\_\_\_TD2 or TSS\_\_\_\_\_TD3

Contact: [pd-td\\_training@kohls.com](mailto:pd-td_training@kohls.com)

#### Testing Login

This login will be used to upload and complete test reports and testing functions. You will need to request the role of "Vendor-PT". If you are looking to have only access to the testing role, there is no cost for this log in.

### HOW TO PURCHASE A NEW LOG-IN

1. Receive email from Kohl's Factory Compliance that your factory is approved.
2. Reach out to [onePLMsupport@kohls.com](mailto:onePLMsupport@kohls.com) to get your Entity ID if you don't have it already, then fill out the [onePLM Access Request form](#).  
([https://form.asana.com/?k=dQ\\_eYVXIGR8TNV-ARdRLPg&d=5270300782931](https://form.asana.com/?k=dQ_eYVXIGR8TNV-ARdRLPg&d=5270300782931))
3. A member of the Kohls Technology team will email you with your login information based on the roles you choose in the form and provide a guide on how to make the purchase to activate the logins.

## Renewal Purchase

After (1) year from the date of purchase, a login will expire. You must follow the same steps you performed to purchase the first time, again to reactivate your login. You will not receive a notification prior to expiring. Once expired, you will receive an error message stating that your "Tradestone Key" has expired. **This is your prompt to repurchase. You will receive a message prompt to assist you through the process of purchasing a new key through Bamboo Rose.** Should you encounter a technical error, contact [oneplmsupport@kohls.com](mailto:oneplmsupport@kohls.com).

## Process Assistance

Refer to training documents available on [K-Link](#).

Contact [oneplmsupport@kohls.com](mailto:oneplmsupport@kohls.com) with any questions.

### Product Testing Users:

Navigate to [K-Link's onePLM page](#) by clicking on "Resources>Private and Exclusive Brands>onePLM". You will find all training and job aid materials under "Other" section of the onePLM page.
