

How to, FAQ & Troubleshooting Guide for Multi HTS Items: Handbags Only (External)

I am unsure how to fill in the Multi HTS screen

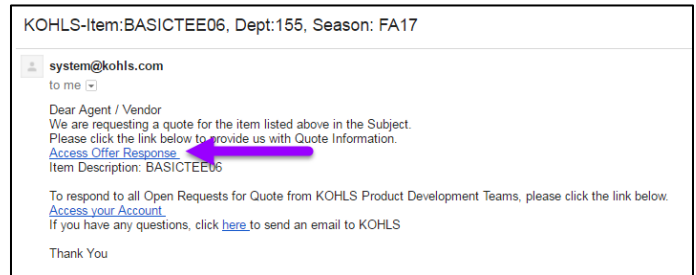

Email your Kohl's Product Development partner (if needed, they will reach out to Import Compliance)

I am ready to fill in the Multi HTS screen

Follow the steps below

1. Log in to <https://kohls.bamboorose.com/prod/plm.do>
2. Navigate to the email notification you received
 - a. Select the **Access Offer Response** link

You will be taken directly to the Offer Response screen for that style

3. Select the **Multi HTS** tab

4. Fill in the required fields as stated below for each item:
 - a. **Product No.** A free key field = describe what that item is (i.e. "tote" "key fob" etc.)
 - b. **Item FC column.** First Cost ***IMPORTANT NOTE:** This will override the First Cost on the offer line, as it is designed to do
 - c. **Qty.** Quantity of within each set
 - d. **Indicator.** Make a Yes or No selection = Select Yes for any items that duty should calculate off of
 - e. **Vendor HTS No.** Search and select the HTS number

****NOTE as of 5/12/2023: If you have an additional tariff for products coming out of China, do not add the tariff code into the Multi HTS tab. Enter only the main HTS code on the Offer Response page.**

Completed Multi HTS Example:

<input type="checkbox"/>	Product No	Product Item		Qty	Indicator	Vendor HTS No	Kohl's HTS No
		FC	FC				
<input type="checkbox"/>	TOTE		2.05	1.00	Yes	0904214000	0904214000
<input type="checkbox"/>	KEY FOB		0.30	1.00	Yes	0808100065	0808100065

5. Select save

FAQ & Troubleshooting:

Q: What is an “XVV set”?

A: In some instances, two or more items together will qualify as a set, but one item is considered to be the “main” component of that set.

An example of an XVV set:

<input type="checkbox"/>	Product No	Product Item		Qty	Indicator	Vendor HTS No	Kohl's HTS No
		FC	FC				
<input type="checkbox"/>	(X) HANDBAG TTL		2.35	1.00	Yes	0904214000	0904214000
<input type="checkbox"/>	(V) TOTE		0.00	1.00	No	0904214000	0904214000
<input type="checkbox"/>	(V) KEY FOB		0.00	1.00	No	0808100065	0808100065

Q: What should be entered for the cost on an “X” and the “V” items in an “XVV set”?

A: The X should contain the FC of the entire set. Then the remaining V's should have a FC listed as 0.00

Q: In my XVV set, why does the “X” item have an HTS number assigned?

A: The X item line will have the same HTS number as the “main component” item

Q: Why do I have to select the “Yes” Indicator for the “X” item?

A: By selecting “Yes” on a line, the duty will then calculate off of that line

Q: Where can I find the “preclass worksheet”?

A: <https://link.kohls.com/login> > Login > Import Customs > Sample Requirements and Classification Worksheets

Q: What do I do if I have a China Tariff?

A: Do not enter the China Tariff code into the Multi HTS screen. Enter the main HTS code on the Offer Response page.

Q: I’m unable to enter in on the multi HTS page, how do I resolve this?

A: If your screen looks like either of the below, you did not follow the correct navigation to your vendor multi HTS page

<input type="checkbox"/>	Product No	Product Item		Qty	Indicator	Vendor HTS No	Kohl's HTS No
		FC	FC				
<input type="checkbox"/>	PRODUCT TTL			1.00	Yes		0904214000
<input type="checkbox"/>	PRODUCT 1			2.00	No		0904214000
<input type="checkbox"/>	PRODUCT 2			1.00	No		0808100065
<input type="checkbox"/>	PRODUCT 3			2.00	No		0808100030
<input type="checkbox"/>							

<input type="checkbox"/>	Product No	Product Item		Qty	Indicator	Vendor HTS No	Kohl's HTS No
		FC	FC				
<input type="checkbox"/>	N/A	N/A	N/A	N/A	N/A	N/A	N/A
<input type="checkbox"/>	N/A	N/A	N/A	N/A	N/A	N/A	N/A
<input type="checkbox"/>	N/A	N/A	N/A	N/A	N/A	N/A	N/A
<input type="checkbox"/>	N/A	N/A	N/A	N/A	N/A	N/A	N/A
<input type="checkbox"/>							

The correct navigation is as follows: Offer Response page > Multi HTS tab

Q: I believe I am encountering a technical issue

A: If associated with Li & Fung:

1. Contact your SME
2. If your SME cannot assist, contact your internal IT team LFSLGSSupport@lifung.com
3. If your internal IT team cannot assist, they will directly reach out to Kohl's on your behalf

If not associated with Li & Fung: email oneplmsupport@kohls.com
