# Style View Landing Page

The Style Landing Page can be accessed via the Product link in the top navigation or from the Merchant Group widget section on the homepage.

Style View Landing Page

Purpose

This page provides a list of styles that are moving through K-Link. There are filtering capabilities to easily navigate to specific styles!

Styles (1688587)

▶ Defaults to the **attribute timeline** (notepad icon), assigned to, due date & status 📒

▶ Can toggle to **image timeline** by selecting the image icon 🖼

▶ Click **view** or **edit** to be routed to the merchant group page where this style lives

▶ Add **filters** to narrow down search (same as merchant groups landing page)
