

## **Sustainable Certificates**

Dear Supplier,

Many of our company goals are focused on the efficient use of natural resources and environmentally sound management of chemicals within Kohl's-owned branded products.

As a trusted and valuable supplier, we wanted to inform you about the requirements and expectations regarding the sustainability certification.

Below is the list of certificates that Kohls requires if any of them are claimed in the final product. Factory compliance team owns the followup and housing these certificates.

RESPONSIBLE ALPACA STANDARD (RAS)

SUSTAINABLE VISCOSE CHAIN OF CUSTODY STANDARD  
TRIM QUALIFICATION PROGRAM  
FORESTRY STEWARDSHIP COUNCIL (FSC)  
PROGRAMME FOR THE ENDORSEMENT OF FOREST CERTIFICATION (PEFC)  
RESPONSIBLE WOOL STANDARD (RWS)

## Factory Compliance

- reaches out to all the facilities active in onePLM for any sustainability certifications.
- These certificates are housed in onePLM with an expiration date
- Any expired certificates will be followed up by the Factory Compliance team and will be updated in the system.

**Global material team** is informed and kept in the loop for any sustainable fiber claims.

Included a checklist for any fiber certification for reference.
