Test Product – Rush To Floor Sticker SOP

Purpose of Sticker

To help ensure Kohl's DC's and store associates are aware of test product coming into the store and assure it is fast tracked to the shelves the below sticker should be added to the cartons to mark these as test products.

Placement of Sticker

The test sticker can be placed on the carton anywhere except where Kohl's stickers are placed in accordance with our Kohl's required stickers. They can be placed on an edge or over the edge, preferably not on the bottom of the box. Stickers are not required for ecom orders.

Order/Printing of Sticker

Stickers can be ordered as a 6x6 or 4x4 format from Nan Jump along with boxes or factory can self-produce.
