# Vendor Merchant Group Statuses

Below are the different statuses you will see displayed under the *attribute* or *image* timeline.

➔ The timeline status of the merchant group will display the lowest style status, meaning if all style statuses are Approved, but 1 style is Rejected, the status on the merchant group timeline will display Rejected.

➔ Statuses below that are <u>underlined</u> are ones where vendors need to take action

New

Kohl's has sent the merchant group to you, but you have not taken action or opened the group.

In Progress

You have begun attribution or uploading images, but are not complete.

Ready to Submit

Attribution and/or images are complete, but have not been submitted back to Kohl's.

Submitted

Attribution and/or images have been submitted back to Kohl's for review.

Approved

Attribution and/or images have been approved by Kohl's.

Complete

Merchant Group attribution and images are complete.

Rejected

Attribution and/or images have been rejected by Kohl's and are back in your queue for updating.

Please note: Your Kohl's partners will see a different set of statuses!
