## VIDEO SPECS

## LIGHTING DIRECTION

On figure lighting is bright, crisp, open and front lit.

Lighting for Omni off-figure product should come from a soft source either left or right to reveal shape and texture while providing a soft grounding shadow.

The images within this style guide are reflective of lighting expectations. How it is achieved may vary, but please note that the end result must match.

---

## USAGE

All assets are for Omni Channel use and therefore must meet the following usage standards: 2 Years Unlimited Print & Electronic Media for use by Kohl's and Kohl's Affiliates for the life of the product.

It is imperative that ALL propping of on-figure fashion photography MUST be with Kohl's merchandise. This includes all tops, bottoms, shoes and accessories. Use of non-Kohl's merchandise or improper/unmanaged talent usage poses legal risks and will be prohibited.
